

Brian P. Hibler, MD

225 E. 34th STREET, APT 18D • NEW YORK, NY 10016

TRAINING AND EDUCATION

- 07/2020-06/2021 **Massachusetts General Hospital Dermatology Laser and Cosmetic Center / Harvard Medical School, Boston, MA**
Wellman Center for Photomedicine, Boston, MA
ASDS Cosmetic Dermatologic Surgery Fellowship (CDSFAP)
Dermatology Laser and Cosmetic Fellow
- 07/2017-06/2020 **New York-Presbyterian / Weill Cornell Medicine, New York, NY**
Department of Dermatology
Resident Physician
- 06/2016-06/2017 **Memorial Sloan Kettering Cancer Center, New York, NY**
Transitional Year Intern
- 08/2011-05/2016 **University of Wisconsin School of Medicine and Public Health (UWSMPH), Madison, WI**
Doctor of Medicine
Alpha Omega Alpha Honor Medical Society
Honors in Research
- 09/2006-06/2010 **University of Wisconsin – Madison, Madison, WI**
Bachelor of Science, Chemistry and Spanish with Distinction
Phi Beta Kappa Honor Society

WORK EXPERIENCE

- 08/2021 – present Dermatologist, Schweiger Dermatology Group, New York, NY
- 09/2020-06/2021 Staff Dermatologist, Massachusetts General Hospital, Boston, MA
- 07/2014-07/2015 Dermatology Research Fellow, Memorial Sloan Kettering Cancer Center, New York, NY
- *Allan C. Halpern, MD – Service Chief*
 - *Anthony M. Rossi, MD; Kishwer S. Nehal, MD – Research Mentors*
 - *Translational research fellowship utilizing novel, non-invasive imaging modalities to detect skin cancers and augment both surgical and non-surgical management. Other research projects included: public education in skin cancer protection, retrospective outcomes research, and quality of life and epidemiologic studies.*
- 07/2010-07/2011 Cancer Research Fellow, National Cancer Institute, Bethesda, MD

- *John E. Niederhuber, MD – Director of National Cancer Institute, Principle Investigator*
- *Olga Aprelikova, PhD – Staff Scientist, Mentor*
- *Researched the role of cancer-associated fibroblasts in the tumor microenvironment. Studied how the differential expression of microRNA affected gene transcription, tumor cell migration and invasion.*

HONORS AND AWARDS

- 2025, 2026 *Castle Connolly Top Doctors Award*
- 2023-2025 *Super Doctors® New York Rising Stars nomination*
- *Awarded to < 2.5% of physicians demonstrating noteworthy achievements early in their career.*
- 2022 1st Place: Presidents Innovation Challenge (Harvard/MIT) – Limax Biosciences
- *Most promising venture in the Health & Life Sciences Track*
- 2021 1st Place: Activate Bio Start-Up Competition (Harvard/MIT) – Limax Biosciences
- *Most investible team, based on “innovation, proof of concept, clarity of presentation, development plan, and commercialization opportunity.”*
- 2021 ASDS Review Article Incentive Award
- *Article: Litigation Arising from Minimally Invasive Cosmetic Procedures: A Review of the Literature*
- 2020 Rising Derm Stars Award
- *Awarded to present at the Winter Clinical Dermatology conference.*
- 2018 New York Academy of Medicine Dermatology Resident’s Night Award
- *Received third place overall for oral abstract presentation.*
- 2017 Rising Derm Stars Award
- *Awarded to present late-breaking research at the Fall Clinical Dermatology conference.*
 - *Named among the top three presenters at the conference.*
- 2017 dermMentors™ Residents of Distinction Award
- *Awarded for excellence and commitment to the future of dermatology.*
- 2017 Dr. Richard E. Fitzpatrick Clinical Research and Innovations Award (American Society for Laser Medicine and Surgery)
- *Award bestowed upon the physician who has demonstrated the best clinical presentation at the annual ASLMS national conference.*
- 2017 American Society for Laser Medicine and Surgery – Outstanding Early Career Clinical Abstract
- 2016 UW-SMPH Excellence in Research Honors
- *Awarded for outstanding research and scholastic achievement.*
- 2016 Dylan Cappel Memorial Scholarship
- *Awarded for academic achievement, leadership, and volunteerism.*
- 2015 American Medical Association – Physicians of Tomorrow Scholarship Nomination
- *Nominated as the candidate from UWSMPH.*

- 2015 American Society for Laser Medicine and Surgery – Outstanding Resident/Fellow Abstract Award
- 2015, 2017 American Society for Laser Medicine and Surgery Travel Grant Recipient
- *Awarded to attend and present at annual conference.*
- 2014 Research Fellowship, Memorial Sloan-Kettering Cancer Center
- *Competitive clinical, translational, and epidemiological skin cancer research fellowship, focusing on early detection and improved management.*
- 2014 Wisconsin Medical Society Foundation Scholarship
- *Awarded for outstanding academic achievement.*
- 2014 Don Bruechert Medical Scholarship
- *Awarded for academic excellence.*
- 2013 Dr. D. Murray Angevine Award
- *Award for excellence in pathology.*
- 2012 UW-Madison Pathology Angevine Fellowship
- *Internship in modern anatomic and clinical pathology practice.*
- 2011 NIH Post-baccalaureate Outstanding Poster Presentation Award
- *Awarded to top 20% of presenters at annual research symposium.*
- 2010 Cancer Research Training Award – National Cancer Institute
- *Highly competitive research fellowship to study the mechanisms that drive the development and behavior of cancer cells.*
- 2008 International Academic Programs Merit Scholarship
- *Awarded for academic excellence to support international studies.*
- 2007 Brown Scholarship in Engineering
- *Awarded for outstanding academic achievement in engineering.*
- 2007 Excellence in Student Leadership Award
- *Awarded for contributions to the University and community while maintaining a record of academic excellence.*
- 2006 UW-Madison Engineering Freshmen Merit Scholarship
- *Awarded for academic achievement.*
